## ルナ・リー先生

## Greetings, students of Mike's English School!

Hello! My name is Luna Lee and I will be your new teacher starting August 1st. I am so excited to get to know you. First, I would like to tell you a little about myself. I am 29 years old and I am from Atlanta, Georgia, of the USA. My city is most known for creating Coca-Cola and being the "Southern Hollywood" - which makes it a popular site for many Marvel movies such as the Avengers movies and Black Panther. Speaking of superheroes, I will confess that I love really amazing stories and Japan has some of the very best. As a child and into adulthood, I've always enjoyed hearing and watching the stories told through Japanese culture. I enjoy everything from historical stories (stories about Tomoe Gozen) to folklore (The Tale of Tamamizu) and modern stories as well (Kino's Journey). Maybe you can share your favorite stories with me?

I've lived and taught in Mainland China, Taiwan, the USA, and South Korea. In Taiwan, I taught a class of Japanese children just like you. I really look forward to the experience again. Now that I've had some time to study Japanese, I hope that I can learn even more from my students.

My favorite hobbies are traveling, studying anthropology, singing, and reading. I graduated from Brigham Young University Idaho where I studied TESOL and received a degree in Education. I love being a teacher because I love learning from and about my students and helping them to succeed.

More than anything, I hope we can be friends and making learning a fun experience.

Let's do our best together!  
 Luna Lee
